JIM HOPSON

PRESIDENT AND CEO

Jim Hopson came on board in 2005 as the Roughriders' first Chief Executive Officer and over the past seven plus years, fans have seen many changes on and off the field. The changes and a focus on excellence in all areas of the operation have seen the Riders reach the Grey Cup three times in the last five years, winning the 2007 Grey Cup championship. A new level of expectations has been set and Jim is focused on building long term stability with championship level football supported by strong business acumen.

There has been a renewed focus on community involvement by the club and a significant number of players are now working in and making Saskatchewan their year round home and being very involved in the community. Jim leads by example as he and his wife Brenda spend numerous hours in the provincial community speaking to community groups, at charity events, and presenting to business groups.

Off the field the Riders continue to excel as a business and achieve record profits. Over the past few years, the organization has won Paragon Awards for both marketing and community involvement; been named as one of Saskatchewan's Top 100 companies: selected one of Saskatchewan's Top 20 Employers; a regional winner for Most Admired Corporate Culture; and an Honorary ABEX Award Winner. These have all been steps in achieving the level of excellence Jim desires for the organization.

Personally, Jim has been named one of the Power 50 of Canadian Sports by the Globe and Mail; been recognized by Saskatchewan Business Magazine as one of the province's most influential men; inducted into the Junior Achievement Business Hall of Fame; and was awarded a 2011 International Communication and Leadership Award by Toastmasters International. Jim is also the official spokesperson for the Saskatchewan Brain Injury Association's "Save Your Melon" campaign. This campaign has been recognized nationally for its impact on the prevention of brain injuries.

Jim's roots in Saskatchewan football run deep. He began his football career in high school with the Thom Collegiate Trojans. He then went on to play for the Regina Rams prior to joining the Saskatchewan Roughriders in 1973. He became a starter in 1974 and lined up at guard or tackle for each game during the season. Jim played four seasons with Saskatchewan and helped open holes for the likes of legendary back George Reed, and in protecting quarterbacking great Ron Lancaster.

Jim was able to combine teaching in Lumsden with playing professional football during the 1975 and 1976 seasons, but after playing in the 1976 Grey Cup he retired from football to concentrate on his career in education. He ultimately spent 30 years as a teacher, principal and Director of Education/CEO in Saskatchewan.

Jim has two children – Carrie who is a member of the large Rider nation in Calgary and Tyler who cheers for the team in Regina.

BRENDAN TAMAN

GENERAL MANAGER

Taman enters his third year as general manager of the Green and White and fourth season since returning to the Riders in June of 2009. In his current role, Taman manages all aspects of the Roughriders roster and Football Operations. 2012 will mark the 25th season working in the CFL for the Saskatoon native.

Prior to returning to his home province of Saskatchewan to work for the Green and White, Taman spent ten years working in the Winnipeg Blue Bomber organization, the last five of which were as the team's General Manager and Vice-President of Football Operations.

He spent the 1997 and 1998 seasons as the Director of Player Personnel with the B.C. Lions. Before that, he spent four seasons (1993-1996) as Assistant Director of Player Personnel with the Roughriders. From 1989-1992, Taman was Operations Manager for Football with the Ottawa Rough Riders. His first stint in the CFL was with the Green and White in 1987 when he was hired as a player personnel assistant.

Taman has appeared in four Grey Cup Championship games in the past 10 years and over the course of his career has brought a number of noteworthy players into the CFL including Geroy Simon, Arland Bruce, Romby Bryant, Jon Ryan, Doug Brown, and off-season free-agent acquisition Brendon LaBatte.

JEREMY O'DAY

ASSISTANT GENERAL MANAGER

O'Day is entering his first season as the Riders Assistant General Manager. He moved into the front office last year after accepting the position of Football Operations Coordinator in February, 2011.

O'Day originally joined the Toronto Argonauts in 1997 after a stellar collegiate career at Edinboro University of Pennsylvania where he was a three time All-American Division II player. In two seasons with Toronto, O'Day dressed in 36 games and was a member of the 1997 Grey Cup championship Argonaut team.

In 1999, O'Day signed in Saskatchewan as a free agent and spent the next 12 seasons as stalwart in the middle of the Riders offensive line. His 202 regular season games played for the Green & White ranks him 12th on the club's all-time games played list. He also played in 16 playoff games and three Grey Cup games, helping the team win the championship in 2007.

Known for his fierce competitiveness and leadership on and off the field, O'Day was named a divisional all-star six times and a CFL all-star three times. He was also the Riders nominee for Most Outstanding Offensive Lineman in four seasons.

O'Day and his family have made Regina their year-round home and he has spent countless hours in the community. That dedication was recognized by the CFL in 2008 when he was named the Tom Pate Award recipient which goes to the player with outstanding sportsmanship, who made a contribution to his team, as well as, to his community.

COREY CHAMBLIN

HEAD COACH

Joined Riders	2012
Years with Riders	1 year
Years coaching in CFL	6 years

Corey Chamblin enters his first season as head coach with the Roughriders bringing a wealth of pro and collegiate experience.

Prior to joining the Green and White, Chamblin was most recently the Defensive Coordinator and Defensive Backs Coach with the Hamilton Tiger-Cats.

Chamblin spent three seasons working with the defensive backs in Calgary where the Stamps secondary had great success and were looked upon as some of the toughest defensive backs in the CFL. In 2008 the Stamps claimed the Grey Cup after holding the CFL's Most Outstanding Player Anthony Calvillo without a touchdown pass in the championship game. Over the course of his time in Calgary, Chamblin led a number of players to great achievements including Brandon Browner who is a current starting cornerback for the NFL's Seattle Seahawks.

When he first arrived in the CFL in 2007, Chamblin served as the Defensive Backs Coach with the Winnipeg Blue Bombers who had the second best pass defence in the CFL. They also held the MOP of that season - Kerry Joseph to a mere 181 passing yards in the Grey Cup game.

Since entering the CFL all teams Chamblin has been a part of have always made it to division finals or the Grey Cup each and every year. That winning mentality was evident among his players as he molded and guided Browner, Dwight Anderson and Justin Hickman to being named CFL All-Stars during his time with their respective teams.

Before coming to the CFL, the Birmingham, Alabama native spent time coaching in NFL Europe in 2006 where he worked as a defensive assistant and secondary coach for the Frankfurt Galaxy who went on to claim the World Bowl Championship. During that season he helped develop a young Joselio Hanson who went on the following season to sign with the Philadelphia Eagles where he remains a key component of the teams secondary. In addition during the 2006 season, Chamblin completed a coaching internship with the NFL's Washington Redskins.

Chamblin began his coaching career in 2005 when he became an assistant coach at Cumberland University in Tennessee.

In high school Chamblin played a variety of positions for the football team including defensive back, linebacker and running back. His versatility as a player led to a full scholarship at Tennessee Tech where he played free safety.

Despite going undrafted, Chamblin went on to sign as a free agent with the Baltimore Ravens in 1999. That season he played with Jacksonville Jaguars where he was a member of the team's first defensive squad and blocked a punt in the AFC Divisional victory over the Miami Dolphins. He remained in the NFL until 2004 spending time with the Green Bay Packers, Tampa Bay Buccaneers, Denver Broncos and Indianapolis Colts. He rounded out his playing career with the Rhein Fire of NFL Europe.

During his time in the NFL Chamblin had the opportunity to play for Mike Tomlin – Head Coach of the Pittsburgh Steelers. At the time Tomlin was the Defensive Backs Coach with the Tampa Bay Buccaneers at the young age of 29. It was then that Chamblin made the realization that his future would be in coaching. Since that time the two have stayed in touch and Tomlin remains to be a great mentor to Chamblin who feels the young coach blazed a path for others to follow after being named a Head Coach in the NFL at the age of 34.

Corey, his wife Samantha, son Karter and their two dogs India and Maggie are excited to make the move to Riderville.

BOB DYCE

OFFENSIVE COORDINATOR / RUNNING BACKS COACH

Joined Riders	2010

Dyce returns to the Riders and will take over the reigns as offensive coordinator for the team while also working with the running backs. He spent the last two seasons working with the Riders' strong receiving corps while overseeing the pass attack.

In 2011, Weston Dressler recorded his second straight season with over 1,000 yards, while Chris Getzlaf had a career high and team leading 1,071 yards. In 2010, the Riders passed for over 5,500 yards. Rider receivers Weston Dressler and Chris Getzlaf each posted career highs in receiving yards while Rob Bagg was on pace for 1,000 yard season before being sidelined with his injury.

Before joining the Green and White, the Winnipeg native spent seven seasons with the Blue Bombers where he served as the team's receivers coach and was in charge of the team's Canadian player personnel. During his time with the Bombers, Dyce provided leadership and coaching to his receivers, many of which were continually over the 1,000 yard receiving mark each season.

Prior to making the transition into coaching in the CFL, Dyce spent seven seasons as the receivers coach with his alma mater the Manitoba Bisons. During his time with the Bisons, the receiving corps produced seven All-Conference players and three All-Canadians.

Dyce began his coaching career in 1992 when he joined the staff of the St. Vital Mustangs of the CJFL. He spent two seasons with the Mustangs before making the move to offensive coordinator and receivers coach for the Winnipeg Hawkeyes of the CJFL. HISTORY

TEAM HISTORY

Organized football in Saskatchewan began on Tuesday, September 13, 1910 with the formation of the Regina Rugby Club. The original idea was for the team to be a rowing club, but three-down football soon found its way to Saskatchewan. The original colours of the Regina Rugby Club were gold and purple. The team lost its first game 7-6 to Moose Jaw.

The next season, the team changed its colours to blue and white to match the Regina Amateur Athletic Association. A third colour change occurred in 1912 when they changed to red and black, which they would keep for the next 36 years.

In 1924, the team changed its name from the Regina Rugby Club to the Regina Roughriders.

Ottawa's Rugby Club had been called the Rough Riders since the 1890's, but dropped it in favor of the "Senators" in 1924. Regina jumped at the chance to adopt the name "Roughriders".

There are two theories on where the name "Roughriders" came from. One states that it came from the North West Mounted Police who were called Roughriders because they broke the wild horse broncos used by the force. The other states there was a Canadian contingent who fought with Teddy Roosevelt in the Spanish-American War. Roosevelt's troops became known as the Roughriders. Following the war, the troops returned to Canada, part settling in Ottawa, and the rest moving out West. The colours of the Roosevelt infantry were red and black.

In 1921, East-West interlocking games began being played for the Canadian Championship symbolized by the Grey Cup.

Lacking suitable opposition in this province, in 1936, Regina banded with Winnipeg to form the Western Conference.

The year 1948 was a milestone one for the Roughriders. With the folding of both clubs in Moose Jaw and Saskatoon, the Regina Roughriders became a provincially-owned-and-operated club, surviving only on the undying support from the entire province. They became the SASKATCHEWAN ROUGHRIDERS".

The team also changed its colours in 1948 to the familiar Green and White. The team was in bad need of new uniforms, and when executive member Jack Fyffe found a set of green and white jerseys at a surplus store in Chicago, for pure economic reasons, the 50 year legacy of the "Green and White" was born and has existed to this day.

In 1956, the Roughriders suffered a terrible tragedy when players Gordon Sturtridge (#73), Mel Beckett (#40), Ray Syrnyk (#56) and Mario Demarco (#55) were killed in a plane

crash while returning from an all-star game in Vancouver. Flight #810 crashed into Mt. Slesse in the Coastal Mountains just south of Chilliwack, B.C. The four players' uniforms are among the eight Roughrider numbers retired by the club. Dave Ridgway (#36), Ron Lancaster (#23), George Reed (#34) and Roger Aldag (#44) are the others.

Ten years removed from the tragic accident, the Roughriders, with coach Eagle Keys at the helm, saw their first great achievement. By defeating the Ottawa Rough Riders 29-14 in Vancouver's Empire Stadium on November 26th, 1966, Saskatchewan captured its first Grey Cup championship. Lancaster and Reed played key roles in leading the Riders to their first national title.

The Riders remained one of the best teams in the CFL for nearly 15 years, making the post-season every year from 1962 to 1976. Included in that span was five Grey Cup appearances, 1966 (which they won), 1967, '69, '72 and '76.

The Roughriders would update their look one more time in 1985, adding black and silver to the Green and White, and featuring a new stylized 'S' logo.

The team had several lean years during the late-'70s and early 1980s, where poor on-field performances led to even worse gates. However, fans remained positive that a turn-around would soon come and it did, by way of one of the best Grey Cup games ever played.

On November 19, 1989, kicker Dave Ridgway nailed a 35-yard last minute field goal to seal the Roughriders' second ever Grey Cup championship with a 43-40 victory over the Hamilton Tiger-Cats at Toronto's SkyDome.

The Riders reached the pinnacle of the CFL for the third time in the team's history when they captured the Grey Cup in Toronto on November 25, 2007 after defeating the Winnipeg Blue Bombers 23-19.

Canada's Team has made the playoffs in nine of the last ten years, including six appearances in the Western Division Finals since 2003 and three Grey Cup appearances in the last five seasons.

The team continues to strive for excellence both on and off the field. With three Grey Cup championships, there is no question this team is primed to continue adding to its storied history and they are just getting started!

MOSAIC STADIUM

The home of the Saskatchewan Roughriders has a long and proud history. From its earliest days as a simple Rugby field to its current stature as home to the 1995, 2003 and recently announced 2013 Grey Cup, Mosaic Stadium certainly has a storied past.

The first Rider teams played on the field of Park Hughes (located at the current Mosaic Stadium site). Families would come and circle the rugby field to watch the games. Over the years, temporary seating was put in place for fans, but many came and chose to sit on the grass and watch their favourite team.

In 1927, to accommodate the growing number of fans, Park Hughes and the adjoining Park de Young were reconfigured to provide a better venue. More seating was added, but spectators still showed up and parked their cars at the touchline to watch the action.

In 1936, a number of improvements were made to the field to make the fans more comfortable. Gone were the days of fans sitting along the sideline or jostling for position to see the action. New seating was built to accommodate the growing crowds. Also, a new press box was built and facilities were provided for radio broadcasts of the games.

In 1946, another major improvement was made to Park de Young. Prior to that year, the field at the site had never had turf. Each season, a new load of topsoil was dumped on the field to make it playable. Due to the dry Saskatchewan summers, the park became a dustbowl by the end of the season. But in 1946, the Regina Recreation Board agreed to seed the field to provide a quality surface for games to be played.

The year 1947 marked the renaming of Park de Young. The year before, Neil "Piffles" Taylor passed away. An instrumental part of the early development of the Roughriders, Taylor had been a player, coach, and executive for the team since its founding. Following Taylor's sudden death at the age of 48, the City of Regina renamed the Riders' home, Taylor Field.

In 1948, a $47,000 investment was made to build a 4,500-seat grandstand on the west side of the playing area.

For the next several years the stadium remained relatively unchanged. It wasn't until the mid-1970s when it was agreed that it was time to move Taylor Field into the future. A major renovation was done to the stadium, which included the addition of a second level to the west-side grandstand, new offices and dressing room facilities as well as new artificial turf. The renovations allowed the Riders to move all operations into Taylor Field. It was a major step forward for the team.

In 1988, the Roughriders replaced the first artificial turf with a new type of system called OmniTurf. Unlike AstroTurf, OmniTurf was an inlay turf system, which relied on 300 tons of sand to hold it in place (rather than the traditional glued-down system). Over the years, a number of problems occurred with this system and it eventually became necessary to replace it prior to its usable age being reached.

In 1995, the Roughriders' hosted the Grey Cup for the first time.

In conjunction with this, a number of renovations were needed for the stadium to meet the Canadian Football League standards. The existing press box area on the west side of the stadium was renovated resulting in a new area called Club Seating West.

The area was built as a VIP area for the Grey Cup and later became corporate seating for the Riders. Because the new Club Seating area was built, displacing the media from their old seats, another area was needed as a media centre for the championship game. A new Club Seating East area was built on top of the existing east side stands. It was used to house all the visiting media for the big game. Following that, it was split, creating a new Roughrider media centre as well as more corporate seating for the organization.

In 2000, the Roughriders undertook a new turf project. In anticipation of hosting the 2003 Grey Cup, the team began to search out funding to replace the old OmniTurf.

Due to great support from the community, the project was accomplished a year ahead of schedule and the new AstroTurf was in place prior to the beginning of the 2000 CFL season.

In preparation for the 2003 Grey Cup, temporary stands were built in the north and south endzones, enabling the grand ol' stadium to hold 51,000 spectators for the 91st Grey Cup championship on November 16th.

With a windfall of just over $2 million in revenue from that Grey Cup, as well as an on-going share offering to its fans, the Roughriders have begun to use this new capital to leverage funds to enhance the stadium even more.

Plans were unveiled in December, 2004 to upgrade the facility and take the stadium into the future.

A state-of-the-art video board, sponsored by SaskTel, was unveiled in time for the 2005 season. The SaskTel MaxTron enabled the Roughriders and their fans to watch replays, be entertained and bring the CFL franchise in line with the other member clubs.

A new sound system was also installed in 2005 as well as many other improvements to the east side, including washrooms, concessions and refurbished seats. In the south endzone, a VIP deck and stands were put in place for the start of the 2006 season, allowing the football club to host its corporate game day sponsors.

Prior to the 2007 CFL season, the Roughriders and the City of Regina partnered together to have FieldTurf installed at Mosaic Stadium. The upgrade to the playing surface has already brought forth numerous benefits to not only the Roughriders but all local amateur football teams who utilize the facility.

As more upgrades to the stadium are planned, the football club, in conjunction with The City of Regina, embarked on a 10-year journey with a global, yet grassroots partner in Mosaic Stadium back in 2006. Now, the place where so many legends have played, will be known as Mosaic Stadium.

The football club has also payed tribute to the stadium's first namesake, Piffles Taylor, by way of reconstructing the monument at the stadium entrance in order to bring more attention to this important figure in Roughrider history. Most recently the name of the street in front of the stadium has been changed to read "Piffles Taylor Way".

As the Roughriders prepare to host their third Grey Cup in 2013, the club recently announced a temporary improvement and expansion to Mosaic Stadium called the Grey Cup Legacy Project.

This season will see approximately 7,000 temporary seats, as well as corporate boxes added to the north and south end zones. They will have their own concessions and washroom facilities and the changes will create a bowl-like atmosphere for fans. The new individual seats will be without question an upgrade from the current wood bench seats that were in place in the north end zone and the approximately 2,000 temporary bleacher seats we have been installing in the southwest corner.

When the new stadium is ready, and the stands are no longer needed, each section can be dismantled and donated to amateur sports programs across our province; allowing friends and family to watch their little, future all-star in comfort.

The SaskTel Maxtron will be replaced by a new, 60-foot wide, fully digital LED screen and scoreboard in the Northeast endzone; accompanied by a vertical, digital billboard.

This state-of-the-art, new SaskTel Maxtron will be visible from most points in the stadium. For those in the north end zone and east grandstand a 55 foot wide digital LED display and scoreboard will be attached to the west grandstand.

Without question, the home of the Green and White will continue to remake itself to meet the needs of the League, the Saskatchewan Roughrider Football Club and its fans. But no matter what changes lay ahead, the history and appeal of Mosaic Stadium remains unmatched in the CFL.

COMMUNITY RELATIONS

As a pillar of the community, the Saskatchewan Roughriders have made it a mandate to give back to the great people of Saskatchewan. With the tireless work of the players, coaches and staff the Riders have touched many lives in every corner of the province. Through a group of 10 "pillars", The Saskatchewan Roughriders are dedicated to supporting organizations that facilitate a positive change in our community by focusing on education, health, well-being and recreation of children and families in the province of Saskatchewan. In 2011, the commitment provided by the Rider organization had a direct financial impact to not-for-profit and various charitable organizations of over $800,000.

EDUCATION

Through these programs, the Saskatchewan Roughriders are able to reach every corner of the province and deliver a message that a strong and healthy environment gives students the best opportunity to achieve their life goals.

"Healthy Kids School Program"
The Saskatchewan Roughriders partnered with the Ministry of Education for the 2010-11 school year with the launch of their Healthy Kids School Challenge. The initiative encouraged kids to participate in 30 minutes of daily physical activity and eat nutritious food at school. The Riders involvement had players visit the most active and healthy classrooms in the province over the course of the school year, with the grand prize being a tour of the Rider fitness facility, a healthy lunch with some players and a tour of Mosaic Stadium.

Literacy "Raise a Reader"
A long-standing initiative of the Saskatchewan Roughriders is the Raise a Reader program coordinated nationally by the Postmedia Network of newspapers including the Regina Leader-Post and the Saskatoon StarPhoenix. The program is designed to boost awareness and raise funds for children's literacy programs throughout Saskatchewan.

Each year, several players volunteer to distribute newspapers in exchange for donations. Money is also raised through the donation of tickets to a game that is close to Raise-A-Reader Day. In 2011 the program in the province raised over $200,000.

RespectEd
The Canadian Red Cross has instilled the trust of the Saskatchewan Roughriders to help deliver their RespectED program to schools across Saskatchewan. Each year, a pair of players is trained to become a RespectED Prevention Educator and they are certified to deliver a specific RespectED program. The program the Riders deliver is the "Beyond the Hurt" message that tries to help bullying and harassment in schools.

CYC "Community Youth Challenge"
For nine years, the Saskatchewan Roughriders have partnered with Triple Four Advertising in support of the Fine Foods/Express Foods Community Youth Challenge. This program presents the Club an opportunity to visit over 60 schools across the province and allows the players to share their stories of overcoming the many obstacles and pressures they faced to become the person they are today. Every year, the Community Youth Challenge provides a pair of scholarships from the students that the Riders visited that year.

COMMUNITY RELATIONS

AMATEUR SPORT

The Saskatchewan Roughriders are able to help give kids the opportunity to play organized sports as well as continue their ongoing support of Amateur Football in Saskatchewan.

Centennial Legacy Fund
Following the 2010 Saskatchewan Roughrider Centennial celebrations, the Club established a legacy fund to help support amateur football throughout the province. The $650,000 profit from the Club's Centennial initiatives has been allocated to the Saskatchewan Roughrider Legacy Fund.

Through a partnership with Sask Sport and the previously established Sport Legacy Fund, the funds are being dispersed for amateur football capital projects. A committee has been formed in partnership with Football Saskatchewan and Sask Sport that will establish application guidelines and criteria for making the grant decisions.

In 2011, the Legacy Fund supported the following minor football organizations
(Participants affected in brackets):

- Regina Minor Football (2100) – Bleachers at Leibel Field ($100,000)
- Saskatoon Hilltops/Minor Football (3600) – Lights at Ron Atchison Field ($100,000)
- Raymore High School Rebels (28) – Sound System for field ($1600)
- Lemberg North Valley High School (25) – Spotters tower ($2000)
- Foam Lake High School/Minor Football (77) – Score Clock ($3000)
- Central Butte High School (31) – Scoreboard/Structure/Sprinklers ($5500)
- Esterhazy Warriors High School/Minor Football – Clubhouse/Storage Facility ($10000)
- Saskatoon Bedford Road High School Redmen (36) – Equipment Storage/Washing Machine ($7500)
- Delisle High School Rebels (52) – Goal posts/Bleachers ($10000)

KidSport
The Saskatchewan Roughriders provide many player appearances in support of KidSport each year as well as substantial support with the annual SaskEnergy/Saskatchewan Roughrider Calendar. The 2011 Calendar campaign featured current Rider players and was yet again, a fantastic success with over $150,000 raised towards KidSport initiatives in Saskatchewan

50/50 – Amateur Football
The Roughriders continue their ongoing support of amateur football in Saskatchewan through the University of Regina Rams 50/50 draw. The proceeds raised during the season are allocated to Football Saskatchewan, The University of Saskatchewan Huskies, Saskatoon Hilltops and Regina Thunder. In 2011, a total of $129,000 was split between the four organizations.
The Club also assists amateur football programs with through numerous youth football programs that will continue to develop football in Saskatchewan.

HEALTH

With these programs, the Saskatchewan Roughriders are able to touch almost everyone in Saskatchewan and support those in in the most in need.

CFL Pink Initiative – Touchdown for Dreams
The Touchdown for Dreams program debuted this past October as part of the CFL's new pink initiative. The Riders decided to use this opportunity to be innovative in the way we conducted this pink program. We decided to avoid the traditional fundraising channels and create this Touchdown for Dreams program which would produce tangible results in granting the dreams of a lucky number of Saskatchewan women who have been diagnosed with terminal cancer. Through the sales of pink pennants, pink bandanas, pink merchandise, and donations to the program, Touchdown for Dreams was able to raise over $15,000 to grant the dreams of three Saskatchewan women.

For 2012 Saskatoon-based Cameco has come on as a title sponsor, providing both funds and vision which will be ensure that the program is able to grant even more dreams both in 2012 and down the road.

Canadian Blood Services "Bleed Green in the End Zone"
2011 was the second year of the partnership between the Saskatchewan Roughriders and Canadian Blood Services. The aim of 2011 was to continue the momentum that was gained during the launch year and continue a true community partnership

The impact can also be seen every home game with the entrance of the giant Canadian flag at centre field as it's carried by 50 donors, volunteers and recipients of Canadian Blood Services.

This program is truly provincial in scope and engaged Canadian Blood Services donors, volunteers, staff, Roughrider fans and the general public. It helped raise an additional 435 units of blood, which means 87 more cancer patients received treatment, or 72 more patients with internal bleeding were helped or nine more car accident victims were saved.

Save Your Melon
Through the work of Rider President, Jim Hopson, who is an honourary spokesperson for the Saskatchewan Brain Injury Association (SBIA), this program was created to increase awareness of brain injuries in Saskatchewan. Through the sales of "Watermelon" helmets, the Club and SBIA promote the use of helmets when riding a bike and the effects that brain injuries can have on children and adults.

Children's Hospital Foundation
The Saskatchewan Roughriders are proud to be a major supporter of the Children's Hospital of Saskatchewan. Currently, there is no Children's Hospital of Saskatchewan, but through the hard work and support of organizations like the Saskatchewan Roughriders, the hospital can be a reality. The club supports many of the Children's Hospital of Saskatchewan's many initiatives as well as contributing thousands of dollars through the sales of Roughrider related products at Federated Co-ops.

The Saskatchewan Roughriders are also able to reach every corner of the province with many community outreach programs and initiatives:

Player Appearances: Members of the Roughrider Football Club dot the province of Saskatchewan every year, travelling thousands of miles and touching Rider fans from Aberdeen to Zealandia. Players made over 400 appearances totalling 1200 hours of community work.

Donations: The Saskatchewan Roughriders donate thousands of dollars of merchandise to hundreds of charitable organizations across the province.

There are many more ways the Saskatchewan Roughrider Football Club helps the great people of the province: Pep Band, SaskCanola Rider Pride Hockey Challenge, Mosaic Stadium Tours, Football 101/202, the practice field, event sponsorship and much more.

Every year, the Club searches for new and improved ways to give back to the best fans in the world, and hopes 2012 will be another banner year in the community.

GAINER THE GOPHER

Gainer the Gopher has been a member of the Green and White family for over 30 years now. In that time he has become a Saskatchewan icon while continually breaking down the barriers between man and rodent.

Gainer was one of 38 children born to Dwayne and Agnes Gopher, owners of a small trenching and excavation company in Parkbeg, Saskatchewan. Although his parents always knew Gainer was different from his siblings, they never in their wildest dreams ever expected one of their own to become a true Saskatchewan icon.

Back in 1977, Gainer bought a ticket to see his favourite football team play for the very first time. Immediately after entering the stadium, the lovable gopher knew he had found his destiny. After leading the crowd in a variety of cheers that day, the Roughriders hired Gainer on the spot and the rest is now history.

Since that special day, Gainer can always be found rallying the fans at Mosaic Stadium. His energy, his enthusiasm and his dance capabilities still remain unmatched by any other CFL mascot. His ingenuity continues to break new ground and in the end, Gainer the Gopher continually proves that he truly is one of a kind.

Over the years, Gainer has grown and evolved into a high-spirited rodent for all to love. In 2006 an important transition took place as Gainer the Gopher first donned his new jersey bearing the number 13 making him an ambassador for all Saskatchewan Roughrider fans. Last year when the Riders celebrated their Centennial, Gainer underwent a number change as he proudly wore 100 to mark the celebrations that took place in Riderville over the course of the momentous Centennial year. This season Gainer will once again represent the ever-important Rider fans as he will reclaim the number 13.

620 CKRM RIDER CHEER TEAM

Once again, the 620 CKRM Rider Cheer Team will entertain fans with their co-ed, collegiate style of cheering. The team combines high-flying aerial skills, stunting and tumbling with upbeat dancing to bring the crowd a complete entertainment package.

This year's edition has 35 male and female athletes from Regina, Saskatoon and Moose Jaw, giving great representation to all of Saskatchewan.

The 620 CKRM Cheer Team will once again share their skills and expertise with aspiring youngsters as they will host a weekend camp which will also include a game day performance to for two different age groups: Little Rider Cheer Day for athletes aged 5-12 and Junior Rider Cheer Day for those aged 13-18. To sign up your future member of the 620 CKRM Rider Cheer Team, head on riderville.com and click on the Cheer Team section.

Between practicing and performing, the athletes stay busy throughout the season with their many appearances throughout Saskatchewan helping many charities, organizations and corporations with a multitude of events.

The annual 620 CKRM Cheer Team calendar is marked for a July release. The 2013 edition will be fresh and vibrant and is available from all of the athletes as well as at the Rider Stores

At home or on the road, trust Rod Pedersen, Carm Carteri and the entire 620 CKRM Rider Radio football crew to provide Roughrider fans with the CFL's best Game Day coverage.

THE BROADCAST TEAM

Rod Pedersen is entering his 14th season as the play-by-play voice of the Saskatchewan Roughriders. The 39-year old product of Milestone, SK has worked in the sports broadcasting business for the past 17 years after attending Mount Royal College in Calgary in the Broadcasting Faculty. As the Sports Director at Harvard Broadcasting, Rod can be heard on the 620 CKRM morning show, as well as every night on Saskatchewan's top-rated sports radio talk show, "Sportscage". Rod's involvement on Rider games dates back to 1991 when he was sideline reporter and host of Roughrider Warm-up on CKRM. That summer he was also the Voice of the Regina Rams. In 2003, Rod was inducted into the Rural Sports Hall of Fame in Indian Head, Sk.

Carmelo Carteri was born and raised in Regina. Carm is a graduate of O'Neill high school, where he began his football career. Carm was an MVP on O'Neill's first city and provincial high school football championship teams. Following his high school career, the linebacker accepted a scholarship to Porterville, CA to attend junior college and play football. He achieved MVP honours once again before moving on to the University of Montana. Carm was the first pick of the Ottawa Rough Riders in 1979, beginning a six-year career in the Canadian Football League that saw him spend three seasons with the Roughriders, two as a Tiger-Cat in Hamilton and one season in Montreal. Carm was an Eastern All-star linebacker in 1981 with Hamilton. Carm is entering his 24th year as a colour commentator for 620 CKRM Rider Radio.
